All new applicants will be required to be tested to determine if a special needs school is appropriate placement.

Every Child Counts was badly damaged after Hurricane Dorian and restoration was delayed due to the Covid virus. We are attempting to prepare some buildings for Sept but will have to keep you informed of the actual opening date for students as the repairs proceed. We plan for teachers to return in Sept and students as soon as restoration allows.

It will help us to prepare for the reopening if you would complete this form and return it to [eccabaco.bs@gmail.com](mailto:eccabaco.bs@gmail.com) as soon as possible so that we know how many students are interested in returning to ECC .

Sept will hopefully be used to assess students and meet with them and parents until classes can commence.

Thank you.
